Do you have an MNP reservation number?

▶ To keep your current phone number after switching to FLASH MOBILE, you have to get a 10-digit “MNP reservation number” from your current mobile company.

▶ Formore details about “MNP reservation number” please check FLASH MOBILE website.

* An “MNP reservation number” is valid for 15 days and you have to have 13 or more days left at the time of order for FLASH MOBILE.

Please make sure that you obtain an “MNP reservation number” on the day of ordering or on the previous day.

* The name of the contractant for the current mobile company has to be exactly the same as the contractant for FLASH MOBILE. Please confirm the name of the contractant with your current current mobile company. It is important to check for the contract with the current mobile company may be under your parent’s name, your child’s name, or a company name. In such cases, you will need to contact your current mobile company to charge it.

* Please do not cancel the contract with your current mobile company. If you cancel, you will not be able to use your mobile until FLASH MOBILE service is activated. Your subscription will be automatically switched to FLASH MOBILE from your current mobile company by activating the FLASH MOBILE service.
